Dear Sir/Madam

**Meadowside Road, Meadow Lane (part), Short Street & Horseshoe Road, Pangbourne
Essential Carriageway Resurfacing**

I am writing to inform you that following the recent kerbing work West Berkshire Council's contractor Volker Highways Ltd., will be undertaking essential resurfacing works in all roads listed above from **Monday 25 October to Friday 5 November 2021 between 7.30am to 5.00pm** weekdays as shown on the enclosed plan. Works are programmed to start in Meadowside Road, Meadow Lane (part), and progress in to Short Street then Horseshoe Road. Emergency vehicles will be given access under site staff supervision.

The proposed programme is highlighted on the attached plan and information boards will be erected on site. While these works are weather dependent, every effort will be made to complete these works as per the programme.

Should it be necessary to revise the programme, the information boards on site will be updated accordingly. Alternatively, you can view the current status of the scheme by visiting <https://one.network/?123691711> for Meadowside Road and Meadow Way, <https://one.network/?123691836> for Short Street and <https://one.network/?123691926> for Horseshoe Road.

Temporary suspension of on street parking will be necessary as the works progress, however, if you subscribe to the on street parking permit scheme you can park in any P1 zone within Pangbourne. **Please do NOT leave any vehicle parked on the public highway within coned off works areas or No Parking cones. Failure to do so may result in damage to your vehicle or injury to the workforce.**

Please accept our apologies for the inconveniences caused but if you have any queries regarding the work, please do not hesitate to contact West Berkshire Council's Customer Services Team on 01635 519 080.

Yours faithfully

**Environment Department
