4.1.3. A Disclosable Pecuniary Interest [DPI] is an interest of yourself or your partner (which means spouse or civil partner, a person with whom you are living as husband or wife or a person with whom you are living as if you are civil partners). 4.3. Disclosure of interests

4.3.1. Subject to sub-paragraphs 4.3.2 to 4.3.5, where you have a personal interest described in paragraph 4.2 above or in paragraph 4.3.2 below in any

business of your authority, and where you are aware or ought reasonably to be aware of the existence of the personal interest, and you attend a meeting of the Parish Council at which the business is considered, you must disclose to that meeting the existence and nature of that interest at the commencement of that consideration, or when the interest becomes apparent.

4.3.2. You have a personal interest in any business of the Parish Council:

- (a) where a decision in relation to that business might reasonably be regarded as affecting your well-being or financial position or the well-being or financial position of a *relevant person* to a greater extent than the majority of other council tax payers, ratepayers or inhabitants of the electoral division or ward, as the case may be, affected by the decision, or

4.3.5. Where you have a personal interest in any business of the Parish Council and you have made an executive decision in relation to that business, you must ensure that any written statement of that decision records the existence and nature of that interest.

4.4. Register of interests

4.4.1. Any interests notified to the Clerk will be included in the register of interests. A copy of the register will be available for public inspection.

4.5. Non-participation in case of pecuniary interest

4.5.1. Where you have a personal interest in any business of the Parish Council you also have a pecuniary interest in that business where the interest is one which a member of the public with knowledge of the relevant facts would reasonably regard as so significant that it is likely to prejudice your judgement of the public interest and where that business;

- (a) affects your financial position or the financial position of a person or body described in paragraphs 4.2.2; or
- (b) relates to the determining of any approval, consent, licence, permission or registration in relation to you or any person or body described in paragraph.

Note: In addition, the Rules of Procedure of the Council and its Committees require you to leave the room where the meeting is held while any discussion or voting takes place.

4.5.3 Where you have a pecuniary interest in any business of the Parish Council, you may attend a meeting but only for the purpose of making representations, answering questions or giving evidence relating to the business, provided that the public are also allowed to attend the meeting for the same purpose, whether under a statutory right or otherwise, and you leave the room where the meeting is held immediately after making representations, answering questions or giving evidence.

4.5.4. Subject to you disclosing the interest at the meeting, you may attend a meeting and vote on a matter where you have a pecuniary interest that relates to the functions of the Parish Council in respect of:

- (a) housing, where you are a tenant of the Parish Council, provided that those functions do not relate particularly to your tenancy or lease;

5. SENSITIVE INTERESTS

5.1. Where a member is concerned that the disclosure of the details of an interest (either a DPI or any other interest which the member is required to disclose) at a meeting or on the Register of Members' Interests would lead to the member or a person associated with him/her being subject to violence or intimidation, the member may request the clerk to agree that such interest is a sensitive interest.

5.2. If the Clerk agrees that the interest is a sensitive interest the member must still disclose the existence of the interest at a relevant meeting but the member is not required to provide the details of the sensitive interest during the meeting. The Clerk shall also exclude the details of the sensitive interest from the published version of the Register of Members' Interests.

6. DISCLOSURE AND PARTICIPATION

6.1. Should you have a disclosable pecuniary interest you **MUST NOT** take part in the decision-making process of the Council and in order to ensure transparency you must withdraw from such process as regards that DPI.

6.2. The Localism Act 2011 makes participation in such matters if you have a DPI a criminal offence.

7. GIFTS AND HOSPITALITY

7.1. You must disclose and record any gift or hospitality you receive in your capacity as a member of the Council in excess of £25.00. Such disclosure should be made in writing or by email to the Clerk.

8. DISPENSATIONS

8.1. Members who have a disclosable pecuniary [or other] interest may apply for a dispensation on specific grounds which are set out in the Dispensation Procedure set out in Appendix 2 to this Code of Conduct.

9. INTERPRETATION

“Co-opted member”, means a person who:

- (a) is a member of any committee or sub-committee of the Parish Council; or
- (b) is a member of, and represents the Parish Council on, any joint committee or joint sub-committee of the Council;

and who is entitled to vote on any question which is to be decided at any meeting of the committee or sub-committee.

“Disclosable Pecuniary Interests (DPI)” means those interests prescribed by the Secretary of State as such under the Localism Act 2011 and set out in Appendix 1 to this Code of Conduct.

“Other Interests” means interests other than DPIs which a member is required (by law) to disclose.

“Meeting” means any meeting of:

- (a) the Parish Council;
- (b) any of the Parish Council’s sub-committees, joint committees, joint sub-committees, or area committees;

whether or not the press and public are excluded from the meeting in question by virtue of a resolution of members.

“Member” includes a co-opted member.

“Bullying and intimidating behaviour” means offensive, intimidating, malicious, insulting or humiliating behaviour which attempts to undermine, hurt or humiliate an individual or group. It can have a damaging effect on a victim’s confidence, capability and health.

Bullying conduct can involve behaving in an abusive or threatening way, or making allegations about people in public, in the company of their colleagues, through the press or in blogs, (but within the scope of the Code of Conduct). It may happen once or be part of a pattern of behaviour, although minor isolated incidents are unlikely to be considered bullying. It is also unlikely that a member will be found guilty of bullying when both parties have contributed to a breakdown in relations.

THE PRINCIPLES

(referred to in paragraph 2.2 above)

- **Selflessness**
Members should serve only the public interest and should never improperly confer an advantage or disadvantage on any person.
- **Honesty and Integrity**
Members should not place themselves in situations where their honesty and integrity may be questioned, should not behave improperly and should on all occasions avoid the appearance of such behaviour.
- **Objectivity**
Members should make decisions on merit, including when making appointments, awarding contracts, or recommending individuals for rewards or benefits.
- **Accountability**
Members should be accountable to the public for their actions and the manner in which they carry out their responsibilities, and should co-operate fully and honestly with any scrutiny appropriate to their particular office.
- **Openness**
Members should be as open as possible about their actions and those of the Parish Council, and should be prepared to give reasons for those actions.
- **Leadership**
Members should promote and support these principles by leadership, and by example, and should act in a way that secures or preserves public confidence.

Appendix 2

Dispensations under the Localism Act 2011

1. Introduction

1.1. The provisions on dispensations are significantly changed under the Localism Act. Previously there was a reference in the legislation and over a number of years Government produced regulations dealing with the process.

1.2. It should be noted that Parish Councils under the legislation are given the ability to deal with their own dispensations but it is not clear at this time whether or not they will be required to consult either the Monitoring Officer at the local authority or the Independent Person. Further it is not clear if any regulations relating to Parish Councils will be issued.

1.3. At present a Member who has a prejudicial interest may apply to the Standards Committee for a dispensation on two grounds. These are:

- (i) that at least half of the Members of the decision-making body have a prejudicial interest thus preventing the transaction of business. This provision has been used on a number of occasions in respect of Parish Councils.
- (ii) that so many Members of one political party have prejudicial interests in the matter that it would upset the result of the vote on a political matter by impacting on the proportionality rules affecting the particular body.

1.4. Members will be aware of the current process and the documentation which is used in order that in effect a “digital” meeting of the Standards Committee comments and proves otherwise that application for a dispensation.

2. The New Dispensation Regime

2.1. Under Section 33 of the Localism Act 2011 in future a dispensation will be able to be granted in the following circumstances.

The Council may on:

- (a) a written request
- (b) made to the Proper Officer of the Council
- (c) by a Member or Co-Opted Member of the authority.

grant a dispensation enabling a Member or Co-opted Member to participate in a meeting notwithstanding that they have a Disclosable Pecuniary Interest under Section 31 of the Act.

2.2. The criteria which now apply are increased and cover the following circumstances:

- (i) that so many Members of the decision-making body have Disclosable Pecuniary Interests in a matter that it would “impede” the transaction of the business of that body. [In practice this means the decision-making body

would be inquorate as a result.]

- (ii) that without the dispensation the representation of different political groups on the body transacting the business would be such as to alter the outcome of the vote on that particular matter.
- (iii) that the authority considers that the dispensation is in the interests of persons living in the authority's area.
- (iv) that without a dispensation no Member would be able to participate in a particular matter. They suggest that where the Council would be inquorate as a result then the particular decision could be dealt with. It may be necessary to make provision in the Scheme of Delegation to enable this to occur although it does appear to be an unlikely event.
- (v) that the Council considers that it is "otherwise appropriate" to grant a dispensation. This is a particularly wide provision as to some extent is (iii) above.

2.3 In each case when a dispensation is granted it must specify how long it lasts for to a maximum of four years (this reflects the previous legislation) and the Council must consider the application "after having had regard to all relevant circumstances".

2.4. Overall the provisions of the new legislation do expand the instances when a dispensation may be granted which for Parish Councils may be of assistance although it could equally bring comment from the public who may perceive that certain individuals have an interest but are still taking part in the decision-making process.

3. Delegation

3.1. A major change from the previous legislation under the Local Government Act 2000 is that the Localism Act gives discretion for this power to be delegated to Standards Committee, a Sub-Committee or to the Monitoring Officer. Previously, the Standards Committee itself had to deal with any applications for dispensation.

3.2. It is considered that grounds (i) and (iv) are objective and it is recommended that dispensations on these grounds are delegated to the Monitoring Officer with an appeal to a Standards Committee. This would enable dispensations to be granted effectively "at the door of the meeting".

3.3. Grounds (ii), (iii) and (v) are rather more complex and subjective and it is considered appropriate that the discretion to grant dispensations on these grounds remains with Standards Committee after consultation with the independent person.

4. Considerations in granting a dispensation

4.1. As mentioned above it is not clear whether or not the Department of Communities and Local Government will issue further guidance and/or

regulations dealing with dispensations but it is considered that Members should be given some pointers as to what they may wish to consider when considering a dispensation and when matters are delegated to the Monitoring Officer to ensure consistency. Having reviewed the previous guidance it is considered that the following applies:

- (i) the Standards Committee should weigh up the effect of Members' prejudicial Interest(s) against the outcome of the vote if they are not participating in the vote.
- (ii) the Standards Committee should consider whether the nature of the interest in question is such that public confidence in the authority would be damaged if that Member were allowed to vote.
- (iii) the Standards Committee should look at whether the interest in question is one that is common to both the Member and to a significant proportion of the population.
- (iv) account should also be taken of the expertise and knowledge of the Member and whether this justifies their participation in the item in question. For example, if members of Police and/or Fire authorities would be able to bring their expertise by addressing the meeting.
- (v) Standards Committee Members should have regard to whether the business in question relates to a voluntary or public body which is to be considered by an Overview and Scrutiny Committee, and additionally whether the interest is a financial one.
- (vi) if a dispensation not being granted would mean the meeting was not quorate, this might be a reason to grant the dispensation.

5. Process for granting and recording a dispensation

- (i) A Member must apply in writing to the Monitoring Officer for a dispensation as soon as possible, setting out why it is required. The Monitoring Officer will then arrange for the Standards Committee to consider the request. Only written requests are acceptable, and cannot be made by someone else on behalf of the Member. Group and joint requests are not permitted. Each Member should apply individually.
- (ii) A meeting of the Standards Committee must be then convened to consider the application. In the case of urgent items if it is possible to convene a virtual meeting of the Committee, an urgent dispensation may still be granted.
- (iii) The Standards Committee should then consider the legal implications for the dispensation set out at 4(i) to (v) as well as at 2.1(a) above. This consideration may also take account of any other relevant circumstances or local criteria.
- (iv) Members of the Standards Committee should determine whether the applicant should be permitted to make oral representations to the meeting

of the Standards Committee or whether written applications only will be allowed.

- (v) The Standards Committee should then determine the nature of any dispensation they are minded to grant:
 - (a) whether the applicant can speak and not vote; or
 - (b) whether the applicant can participate fully and vote.

Additionally the Committee can also decide the length of the dispensation (not more than four years).

- (vi) It should be noted that the regulations do not allow for the Standards Committee to grant a general dispensation to cover any situation where a prejudicial interest may arise.
- (vii) If the Committee grants a dispensation it should do so in writing and before the meeting in question is held.
- (viii) The Standards Committee may decide to refuse an application for a dispensation. This is within their discretion under the regulations.
- (ix) A written record of the decision taken must be kept and placed with the Register of Interests maintained under Section 81(1) of the Local Government Act 2000.

5.2. Any advice on the process of granting dispensations and any questions relating to this arrangement should be directed to the Monitoring Officer.
